JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

pied by him, her, or them, any building, outhouse, yard, lot, or inclosure wherein any noxious trade, business, or occupation is carried on, the use or occupancy of which building, outhouse, yard, lot, or inclosure is injurious to the health, noxious or offensive to the senses, or an obstruction to the free use of property, so as to interfere with the comfortable enjoyment of life or property, shall be deemed guilty of maintaining a nuisance, and upon conviction thereof in the police court of Boise City, shall be subject to a fine of not more than \$100. And each day of continuing or maintaining such nuisance, after notice by the chief of police to remove or abate the same, shall be deemed a new offense and punishable accordingly."

SEC. 2. This ordinance shall be in force and take effect 10 days after its passage and approval: *Provided*, It be published in at least one issue of the official paper within said time.

BROCKTON MASS.

Foodstuffs—Protection of. (Reg. No. 16, Bd. of H., Aug. 1, 1912.)

SECTION 1. No person shall allow the body of any animal, or part thereof, or any bread, pastry, poultry, or other provisions which may be used as human food, to be carted or carried through the streets or avenues of the city of Brockton, unless it be so covered as to protect it from dust, dirt, and flies.

SEC. 2. No cherries, blackberries, huckleberries, raspberries, strawberries, grapes, dates, figs, salted peanuts, cracked nuts of any kind, corn cakes, corn crisp, candy of any description, maple sugar, or any other article or foodstuff which may be used for human food without cooking or peeling, shall be kept or exposed for sale in any street or public place, or outside of any shop or store, or in the open windows or doorways thereof, unless they be kept covered, so that they shall be protected from dust, dirt, and flies.

SEC. 3. No vegetables, or other articles which are to be used as human food, shall be kept or placed or exposed for sale outside of any shop, store, or market, or in the open windows or doorways thereof, where it is possible for such vegetables or other articles to be contaminated by dogs.

SEC. 4. Every person, being the occupant or lessee of any room, stall, building, or place where any meat, fish, birds, fowl, milk, vegetables, butter, fruit, or other articles intended or held for human food, shall be stored or kept, or shall be offered for sale, shall put and keep such room, stall, building, or place, and its appurtenances, in a clean and wholesome condition; and every person having charge or interested or engaged, whether as principal or agent, in the care, or in respect to the custody or sale of any meat, fish, birds, fowl, milk, butter, fruit, vegetables, or other articles intended for human food, shall keep, protect, and preserve the same in a clean and wholesome condition, and shall not allow the same, or any part thereof, to be poisoned, infected, or rendered unsafe or unwholesome for human food.

Ice Cream—Production, Care, and Sale. (Reg. Bd. of H., Aug. 1, 1912.)

ARTICLE I.

SECTION 1. No ice cream shall be manufactured or stored in any portion of a building which is used for the stabling of horses or other animals, or in any room used in whole or in part for domestic or sleeping purposes, unless the manufacturing and storage room for ice cream is separated from other parts of the building, to the satisfaction of the board of health.

SEC. 2. All rooms in which ice cream is manufactured or stored shall be provided with tight walls and floors, window and door screens, and kept constantly clean. The walls and floors of said rooms shall be of such construction as to permit rapid and thorough cleansing. The room or rooms aforesaid shall be equipped with appliances for washing or sterilizing all utensils employed in the mixing, freezing, storage, sale,

or distribution of ice cream, and all such utensils after use shall be thoroughly washed with boiling water or sterilized by steam. Vessels used in the manufacture and sale of ice cream shall not be employed as containers for other substances than ice cream.

SEC. 3. All establishments in which ice cream is manufactured shall be equipped with facilities for the proper cleansing of the hands of operatives, and all persons, immediately before engaging in the mixing of the ingredients entering into the composition of ice cream or its subsequent freezing and handling, shall thoroughly wash his or her hands, and keep them cleanly during such manufacture and handling. All persons shall be dressed in clean outer garments while engaged in the manufacture and handling of ice cream.

SEC. 4. No urinal, water-closet, or privy shall be located in the rooms mentioned in the preceding section or so situated as to pollute the atmosphere of said rooms.

SEC. 5. All vehicles used in the conveyance of ice cream for sale or distribution shall be kept in a cleanly condition and free from offensive odors.

ARTICLE II.

SECTION 1. Ice cream kept for sale in any shop, restaurant, or other establishment shall be stored in a covered box or refrigerator. Such box or refrigerator shall be properly drained and cared for, and shall be kept tightly closed, except during such intervals as are necessary for the introduction or removal of ice cream or ice, and they shall be kept only in such locations and under such conditions as shall be approved by the board of health.

ARTICLE III.

SECTION 1. Every person engaged in the manufacture, storage, transportation, sale, or distribution of ice cream, immediately on the occurrence of any case or cases of infectious disease, either in himself or in his family, or amongst his employees, or within the building or premises where ice cream is manufactured, stored, sold, or distributed shall notify the Brockton board of health, and at the same time shall suspend the sale and distribution of ice cream until authorized to resume the same by the said board of health. No vessels which have been handled by persons suffering from such disease shall be used to hold or convey ice cream until they have been thoroughly sterilized.

ARTICLE IV.

SECTION 1. All cream, milk, or skimmed milk employed in the manufacture of ice cream shall, before use, be kept at a temperature not higher than 50° F.

SEC. 2. No person, by himself or by his servant or agent, or as the servant or agent of any other person, firm, or corporation shall in the city of Brockton sell, exchange, or deliver any ice cream which contains more than 500,000 bacteria per cubic centimeter.

SEC. 3. No old or melted ice cream or ice cream returned to a manufacturer, from whatever cause, shall again be used in the preparation of ice cream.

CINCINNATI, OHIO.

Communicable Diseases. (Regs. Bd. of H., Apr. 24, 1912.)

REGULATION NO. 11.—INSPECTION AND PLACARDING OF PREMISES.

The health officer is hereby authorized and directed, whenever a complaint is made or he has reason to believe that an infectious or contagious disease prevails in any house or other locality, to inspect such house or locality, and the inmates thereof. or cause inspection thereof to be made, and in houses or localities where such diseases are most liable to prevail, the said health officer may inspect or cause inspections
